## ADMISSION OF PUPILS.

---

THE MANNER FOR APPLYING FOR ADMISSION, AND THE ENGAGEMENTS TO BE ENTERED INTO BY THE FRIENDS OF THE PUPILS.

Any person desirous of applying for the admission of a Pupil, may have printed papers of Questions and Engagements at the School, in the following form, to which answers in writing are required, attested as therein specified; and the paper, when properly filled up, must be sent (post paid) to the Superintendent at the School, in order to its being laid before the Committee. It is required that the parish or friends of the Pupils shall contribute a weekly allowance of Three Shillings towards his or her maintenance; and if the parish or friends be at a distance from Liverpool, then some respectable housekeeper in Liverpool must become responsible for the regular payment of the sum stipulated.

From the numerous applications lately received for the admission of Infants, it is deemed necessary to state, that Females of less than Twelve Years, and Males of Fourteen Years of Age, cannot be admitted into the School, except under very peculiar circumstances.

Will the Friends or Officers of the Union or Parish to which the Pupil may belong, consent that h may remain in the School, at their expense, a sufficient time to learn a trade, and that the time for such purpose shall be left to the discretion of the Committee of this Institution?

Who engages to receive the Pupil when h has learned one or more Trades in the School, and to assist h in exercising h Trade in the Parish, to which h belongs?

*N.B.—For these purposes, the persons appointed must give an engagement in writing before the Candidate can be received in the School.*

The Trades taught in the School are the following:—BASKET-MAKING, WEAVING, ROPE-MAKING, MAT-MAKING, PLAITING SASH AND BLIND CORD, KNITTING, SEWING, HAIR-PLAITING.
